

Dear families and community members,

As most of you already know, the Central School PTO started participating in the "Schnuck's eScrip" fundraiser last year. It is an ongoing fundraiser and we have been making money even over the summer when no one was in school. We ask that those of you who already have a card keep using them. For those of you who don't have a card, read on and see how easy the program is and how little effort is required.

Schnuck's fundraising supports all non-profit groups that support the education, development and betterment of youth. This is very simple and little is required of you.

How do I get the Schnuck's eScrip card you ask? Please fill out the attached flyer and send it to school with your child. We will register the card for you and send it home with your child. Each account has a keychain card and a wallet card so two people are able to use the same account. There is room for five different families to sign up, so get your neighbors, friends, grandparents and anyone else involved. Remember, there is no need for you to register the card. We will do it for you. All you have to do is use the card.

Present your card to the cashier anytime you shop at Schnuck's in the St. Louis metro area, to be swiped before the transaction is final, and Schnuck's will contribute a percentage of your purchase to the Central School PTO.

Thank you for supporting the Central School PTO and students. If you have any questions, please contact Linda Hardman at 628-6440.

Sincerely,

Central School PTO
